The most current Classified Employee Handbook will be posted on the Amity website.

EMPLOYMENT PROCEDURES

A. General Employment Information

The Amity Board of Education fully recognizes that the contributions made by classified employees are immeasurably vital to the success and smooth operation of any school system.

Classified union positions will be posted internally in each school building in advance of the intended hiring date of filling the vacancy. Job postings not controlled by a collective bargaining agreement shall be posted internally and on the District website until the position is filled. An external posting for union or non-union positions may be made when necessary.

B. Procedures for Newly Hired Employees

The Superintendent of Schools will sign a letter of employment to the person being appointed to the position. It will include the hiring date, salary and benefits (by reference for union employees), and other relevant information.

Upon receiving notification from the Superintendent of Schools of employment, the new employee will need to complete the following forms with the Personnel Administrative Assistant in the District Offices:

- An application form for fingerprinting;
- Form I-9: Employment Eligibility Verification form;
- Authorization for Release of Information for DCF CPS Search form; and
- Code of Conduct and Ethical Behavior Regarding Financial Matters General Staff form and Social Networking Policy.

The new employee will receive the applicable forms and instructions to complete a criminal background check.

New employees will watch an informational video of basic information regarding employment and receive from the Personnel Administrative Assistant:

- Policies and Procedures for Nondiscrimination and Equal Employment Opportunity
- Guidelines for Handling Body Fluids in School

New employees belonging to a union-represented bargaining unit will receive a copy of the applicable contract. Non-union classified employees will receive an initial letter of employment stating wages and benefits. Each year, non-union classified employees will be informed of any changes to their wage and/or benefits.

New employees will receive from the Payroll Coordinator:

- Payday Schedule
- Insurance Information
- 403(b) Plan Notice
- Workers' Compensation Protocol
- Any applicable tax and benefit forms

SECURITY CHECK/FINGERPRINTING

Pursuant to Connecticut State law and in order to create a safe and orderly environment for students, all offers of employment will be conditional upon the successful outcome of a criminal record check and DCF report.

College interns and student teachers shall submit to state and national criminal checks.

EQUAL EMPLOYMENT OPPORTUNITY

The Amity Board of Education will provide equal employment opportunities for all persons without regard to race, color, religious creed, age, marital status, national origin, sex, sexual orientation, physical disability, or other status protected by law. Please also reference Board Policy No. 4218.11, which sets forth the District's policies and procedures concerning Nondiscrimination and Equal Employment Opportunity, and are distributed to new employees upon hire.

DRESS

Employees set an example in dress for students and the community at large. Compliance with reasonable standards for dress has a positive effect upon the District's operation and programs.

All employees shall, when assigned to District duty:

1. Dress in an appropriate manner consistent with the needs of the job to be performed.
2. Utilize safety gear provided by the District, as applicable.

EMPLOYEE IDENTIFICATION

It is our expectation that ID badges should be worn at all times. ID badges are issued and updated by the Personnel Administrative Assistant in the District Offices. A lost ID badge should be immediately reported to the Personnel Administrative Assistant and Building Principal.

WORK HOURS

Employee work schedules shall be set by the Superintendent of Schools or his/her designee.

TARDINESS

Punctual and reliable attendance by classified employees of the District is essential to the proper operation of District programs. Lateness or absence, without excusable cause for an assigned work period, could result in discipline up to and including termination, or as otherwise provided by the applicable collective bargaining agreement.

EARLY DEPARTURE

All early departures of staff members must have prior approval of the Building Administrator or his/her designee and entered into the District's Electronic Attendance System under the appropriate leave category.

SCHOOL CALENDAR

The Amity Board of Education adopts the school calendar before the start of the school year. The Board may change the school calendar during the year if necessary. The school calendar is posted on the Amity website www.amityregion5.org/District_Page/.

SCHOOL CLOSINGS, DELAYS OR EARLY DISMISSALS

The Superintendent of Schools will make a decision on a school closing or delay in coordination with the other BOWA Superintendents of Schools by 5:30 a.m. based on what is expected to happen in the next two to twelve hours. A delayed opening will be two hours. Stay tuned when a delay has been announced since it might turn into a cancellation if weather conditions do not improve. Radio, television, school bus operators, staff and designated Internet-based sites will be notified immediately. Although early dismissals are avoided whenever possible, it may be occasionally necessary to dismiss school early due to the unexpected deterioration of weather conditions. In these situations, an announcement will be issued by 10:30 a.m. Weather related early dismissal for middle school and high school students will be at 11:45 a.m.

PROBATIONARY PERIOD

All classified employees, newly employed by the District, shall serve a probationary (based on contract for union employees or letter of employment for non-union employees) or trial basis during a specified period of employment. New employees are given every reasonable opportunity to learn their job. New employees are not only expected to demonstrate their best ability and cooperation, but they are also expected to have excellent attendance. Employees who fulfill these requirements will successfully complete their probationary period.

Falsification of an employee's application for employment or a criminal conviction which surfaces during the background check that has not been fully disclosed on the application is grounds for immediate dismissal.

During the probationary period, the District may terminate an employee for cause or no cause at any time.

Nothing in this Handbook or in any policy or procedure pertaining to an employee's probationary period shall be construed as creating a contract of employment between the employee and the Amity Board of Education upon the employee's successful completion of the probationary period. Non-union employees retain their "at-will" employment status at all times and may be dismissed or disciplined as appropriate at any time. Union employees should consult the applicable collective bargaining agreements for provisions pertaining to seniority and any other terms or conditions of employment pertaining to successful completion of the probationary period.
